From the Principal

Attendance

School attendance is sitting around 91% with girls coming to school a little more often than the boys. Our target is to achieve an attendance rate of 95%. At this rate, children would be at school for 200 of the 210 school days and increase their chances of success at school. Our non-indigenous students are attending on average, 94% of the year, while our indigenous students are attending 85%. Take care and keep healthy, we’re heading into the cold and flu season.

Behaviour

Our teachers and teacher aides are working diligently to recognise and record positive behaviour. At the moment, we’re seeing a healthy increase in the number of children who’ve completed Gotcha Cards, in recognition of their positive behaviour. Well Done! Our daily rate of positive behaviour is greater than our rate of misbehaviour.

QSchools

We’re always working on the quality of our communication with you. This year we’ve updated our website, improved our Facebook frequency and have introduced this updated newsletter. We still have a few more digital things to work on before the end of the year. Our aim is to make keeping in touch something that’s simple and rewarding. We’re keen to hear what you think of our progress. Let us know if you like what we’ve done, or give us some tips on how we can communicate better with you. Send your feedback to jcuda4@eq.edu.au

If you’ve not installed QSchools on your smartphone, I encourage you to take a look at how easy it can be to keep up to date with us. The app gives you access to our newsletter, links live to our website, lists current calendar events, the current Queensland term dates and broadcast messages. You can follow multiple state primary and high schools in the app.

ANZAC Day

Approximately 70 students joined us for the Gordonvale march on the 25th April. The weather was kind to us and we all enjoyed the ceremony in Norman Park. Gordonvale Primary schools students were represented in various other community groups – Mulgrave Little Athletics, Southern Suburbs Rugby league, Scouts, Guides and Pony club. Thank you for helping your children learn about the ANZAC tradition by bringing them along. See you again next year, same day, same time, same place.
Mother’s Day

Dads, SHHH – Are you ready for Mother’s Day? Our P&C Mother’s Day stall is open this Thursday and Friday for children to make purchases. Gifts priced to $10, including fresh floral arrangements will be available. Our thanks to the team of volunteers, coordinated by Kate Gosper, who’ll make this happen. I’m sure you appreciate it.

Welcome New Staff

This term we welcome the following new staff to Gordonvale State School.

Mrs Michelle Messina – HOC Diverse Learning

“I come across from Innisfail State College where I have worked closely alongside 7 other SEP teachers, 7 senior SEP teacher aides and around 55 general subject teachers managing senior schooling for SWD students. During my time at Babinda State School working with students from Prep to Grade 12 my focus was on inclusive curriculum for all verified and at-risk students, effective technology implementation to improve equality in classrooms and behaviour support to classroom teachers and teacher aides. Last year I fulfilled an acting HoSES role for the Cane Cutter Cluster working closely with 8 SEP teachers in 9 different schools.

I am very excited to have the opportunity to be working with the amazing teaching staff at Gordonvale State School and hope that we can work together to provide positive inclusive learning environments for all students. In case some of you are unfamiliar with my role in the school, I am here to oversee the SEP and Learning Support programs provided which assist
student access and progress. At present I am revising current practices and working closely with all SWD and STL&N teaching staff to ensure positive, focused support is continued within your classrooms.

I am looking forward to meeting you all and working alongside you. If you have any concerns, please don’t hesitate to contact me or come and see me over in the SEU unit.”

**Mrs Tina Nissen – 2A**

“Hi! My name is Tina Nissen. I have been teaching for 15 years on the south side of Cairns in the lower school (kindy to year 2). I have recently taken leave from my permanent job to look after my two Boys Blake 4 and Caleb 7. I enjoy meeting lots of new faces in each new school I go to and listening to everyone’s stories.

I have been training in Martial Arts for the last year after watching my boys learn it for the past 4 years. I am enjoying the new challenges it has presented me.”

**Miss Emma Wontorra – 6C**

“My name is Emma Wontorra. I am from Canada. I have taught in South Korea, Canada and now in Australia. My favourite subject is science. I love being outdoors and playing sports. I am happy to be joining the Gordonvale State School team!”

**Miss Helen Newman**

*Music & Drama Teacher*

Congratulations Miss Newman!!! What an outstanding performance by Gordonvale State School’s very own Music & Drama Teacher!! We are so very proud of you and all of your accomplishments!

This year was the 90th North Queensland Eisteddfod held in Cairns, beginning on Good Friday 25th March 2016 at 1.00pm and continuing through until Easter Sunday 27th March 2016. Miss Newman sang with the Cairns Choral Society choir which remains the current Champion ‘A’ Grade Choir of North Queensland. She competed with the choir in 12 songs.

Miss Newman also competed in seven of her own solos. The following are her results:

- Solo from Oratorio, Cantata or Significant Sacred Work, Masses: Highly Commended
- Operatic Aria: Highly Commended
- First Grade Soprano: Highly Commended
- Song by an Australian Composer: Highly Commended
- Lieder, Art Song or French Melodie: 3rd place
- Traditional Ballad: 1st place
- Although she did not place in the Musical Comedy section she gained terrific feedback from the audience and adjudicators on her magical performance.

Of her seven solos three were in English, one in Latin, one in Italian and two in French! Outstanding!

Miss Newman is a treasured member of our staff and is always keen to teach and share all of her wisdom with your children in music and drama class!

**Poetry out Loud!**

At the ANZAC Day Parade on the 22nd of April 2016, we held an ANZAC Ceremony to remember the soldiers that fought for our freedom. As a tribute to fallen and returned soldiers, a select group of Grade 6 students recited a poem on parade titled “Grandpa, What Did You Do In The War?” written by Jeff Cook.

**Shields!!!**

During English the students in class 4C made Moral/Message Shields. We hung them up to show what Moral/Messages we follow. Some of the Moral/Messages are: be honest, respect your elders and tell the truth.

Mad Scientists!!!

In Science this term we are learning about forces – pushing and pulling. We investigated toys that move by either pushing or pulling them. We then made our own pop up persons which moves when it is pushed or pulled. The kids had lots of fun and it was a great interactive way to learn more about science.

Kindest regards

Five Citizens

Our school vision is centred on creating active and informed citizens for the 21st century. Our vision identifies five key areas for building the citizenship skill of our students. This week we demonstrate:

Informed Citizen

Humongous Ball of String!

George of year 6 has been creating a humongous ball of string. His creation started at the beginning of the year with a simple small ball of string and nothing to do. After 48 hours of winding and winding and winding the string the ball is now bigger than a basketball and weighs 3 kilograms. George’s curious nature has led him to some research of how big the ball has to be to make the Guinness Book of Records. George said “It only has to be 4.03 metres in diameter before I can compete for a world record. Hopefully mum will buy me some more string soon.”

Woolworths Earn and Learn

Late term 1 saw the arrival of educational items earned from the Woolworths Earn and Learn program. Students have already been enjoying these items every day at school.

Special needs have received 60 Tell a Story and Picture whiteboards, erasers and pens to further their student’s literacy outcomes. Sand play toys have been added across the school in the prep, special needs and in the year’s 1-3 sandpits. Answer buzzers are being used in the junior school for reading groups to add some excitement to those who like a challenge. The permaculture garden benefitted as well with a whole package of gardening tools, binoculars, jumbo magnifiers and weather instruments to assist in the growing number of students attending our lunchtime activity on Fridays.

Thank you once again to everyone who participated in collecting stamps for our school in helping us to grow, strive and succeed.

Monstrous Emotions!

After reading ‘Monsters Love School’ by Mike Austin, year 1 students used their knowledge of the elements - Line and Colour to create Monsters that convey an intended emotion.

We also discussed how everyone feels differently at the beginning of each new school year. Some students felt happy and joyful about starting year 1 whilst others felt fearful and worried.

All students worked brilliantly to create an Emotional Monster, some of which are on display in the office foyer for all to see!

Kind regards,
Kristen Murphy,

Growing Plants

In Science two weeks ago each student planted a plant. We put this up where the plant could get sun, shade, food and water. Every day we have to record our observations in our science book.

A Gift from the Royal Australian Air Force

At Gordonvale state school ANZAC Day service Mr. Carl Green from the Gordonvale RSL presented our school with a book for our library. The book was called “Discover the Mega World” written by Miles Kelly. It’s filled with 3,000 facts about everything ENORMOUS.

At the Gordonvale State School ANZAC Day service on Friday the 22nd of April. Firstly the school leaders introduced and welcomed invited guests. One of our special guests Mr. Carl Green informed and explained the meaning of ANZAC. Then the HON. Warren Pitt spoke the ANZAC prayer. After that the 6A reading group read a poem titled ‘Grandpa, what did you do in the war?” also class 5B performed an informative play about the ANZACS. Then two people from each class laid wreaths.

We played the “Last Post” followed by a minutes silence and the Rouse. We played the National Anthem to finish the ANZAC service.
