

SCHOOL NEWSLETTER VIA EMAIL

Dear Parents and Caregivers,

We are transitioning to a paperless fortnightly newsletter. So that you can be up to date with our school news and events, we encourage you to provide an email address to the schools office as soon as possible.

Each fortnight parents who have provided the school a valid email address, will receive an email with the Schools Newsletter attached as a PDF file.

If you do not have access to the internet and wish to receive a Newsletter you will be able to collect a copy from the school administration building.

Our website is a great source of information to students, families and community members.

Our website www.gordonvass.eq.edu.au provides many features and information including:

- ✓ Fortnightly Newsletter
- ✓ School Calendar of Events
- ✓ Newsflashes & important updates – eg. event cancellations
- ✓ School Handbook and Annual Report
- ✓ P & C information
- ✓ Tuckshop and Uniform shop news and pricelists

We encourage all parents with internet access to use our new website when seeking information, updates or forms.

Simply visit www.gordonvass.eq.edu.au for up to date information.

Parents who wish to receive fortnightly newsletters via email please fill in the form below and return it to the office.

Yours sincerely

Lloyd Perkins
Principal
